PROFESSIONAL EXPERIENCE

Dell Technologies, Austin TX **Aug 2021 - Aug 2026**

User Interface Engineer 2 (Mar 2023 – Aug 2026)

- Delivered a complete Premier homepage redesign in just 4 months, directly contributing to +9.9% gain in average order value and +7.1% rise in revenue per visit.
- Owned the redesign of the Dell Premier landing page from research through final design, driving measurable business outcomes: +2.8x increase in new account submissions and +19% lift in sign-ins.
- Drove 500x more B2B engagement by leading Premier sign-in nudge initiative and design strategy.
- Established and rolled out a standardized, global accessibility process that was adopted across the entire design organization.

Analyst, Aug 2021– Mar 2023

- Designed an inventory management tool valued at $900M that streamlined the management of on-hand inventories by incorporating data visualization and reporting features.
- Facilitated stakeholder workshops and alignments across four business units to ensure the successful rollout of the tool.
- Conducted comprehensive user research and UAT testing (unmoderated and moderated) to optimize the product experience.
- Led the effort to improve product accessibility for users with disabilities through extensive research.

LEADERSHIP EXPERIENCE

ShelterTech, Remote **Jan 2022 - Sept 2023**

Volunteer Accessibility Product Design Lead

- Developed a foundational, step-by-step testing guide that enabled the team to independently test and implement accessible standards.
- Conducted detailed accessibility assessments for ShelterTech.org and SFServiceGuide.org, identifying respective 37% and 24% failure rates against WCAG 2.1 standards, and provided actionable recommendations, ensuring inclusivity for all users on both platforms.
- Engaged in weekly executive meetings, contributing insights to drive the organization's success.
- Designed a resource portal for UCSF clinicians to efficiently connect homeless individuals with needed resources, providing clinicians with actionable information to guide patients on next steps.

Toastmasters International, Remote **Feb 2020 - Sept 2024**

Sunrise Toastmasters Club (President, VP of Membership, VP of Education, Secretary)

- Spearheaded club operations as President, directing all administrative functions and implementing key retention strategies that increased active membership and meeting attendance.
- Directed all membership recruitment and onboarding operations as VP of Membership.
- Ensured seamless team communication and decision-making continuity by consistently documenting and distributing precise meeting minutes and records.
